## II. Independent Contractor Agreement

<u>Authority of the Washington Officials' Association and the Greater Seattle Volleyball Board of Officials</u> – As a volleyball official and independent contractor registered with the Washington Officials Association (WOA) and a member of the Greater Seattle Volleyball Board of Officials (GSVO), I agree to abide by the terms and conditions set forth in the WOA Constitution and By-laws, the GSVO Constitution and By-laws, and the decisions of the GSVO Executive Board, and apply the rules of the game per the NFHS rules book.  I also understand that if I am not a WOA certified official, I am ineligible for assignment to any high school contest.

<u>Assignment Availability</u> - I understand that as an independent contractor, I am free to accept or decline matches as I choose, BUT I agree to work all matches accepted, and am aware of the penalty for missing an accepted match, and understand that assignments are made based on my ranking, seniority, and availability.  My blocking or not blocking of dates in Arbiter indicates my willingness, preference, and availability to be assigned to officiate volleyball matches.  The GSVO Executive Board reserves the right to alter assignments for the betterment of the board.

<u>Public Comment and Social Media</u> – I understand and agree that commenting about specific games, fellow officials, coaches, athletes, or fans is not ethical for a sports official. As a condition of accepting officiating assignments, I agree to refrain from negative discussion, gossip, and criticism both in conversations with others and in any and all social media postings.
